

INTRODUCTION

Welcome home! We hope that this member handbook will give you the answers to most of the questions a new Co-operative member needs to ask. It covers our history and present operations, and it will be brought up-to date from time to time.

This handbook is intended for present and future members as a reference for home, Co-op, and community information. Please add to this handbook your housing agreement. Please also add yearly: the up-to date Board of Directors Emergency Contact List, and the up-to date active committee list.

The Co-op is based on neighbours and neighbouring. We hope that you too will become a confident participant of Springfield Co-operative Homes Inc. If you want to get involved, contact any of the members on the Board of Directors, committee chairpersons, or the Administrator. They are listed in section 1 of this handbook, or just ask a neighbour.

A good member is well informed so please read on...
